

Acting for Dancers

A Crash Course in Acting!

June 27th
3:00-6:00
University of
Idaho
PE Building

*Join us for an incredibly fun crash course in acting, with emphasis on acting for dancers!
Learn confidence—creativity- and projection in a warm, supportive workshop!*

Acting for Dancers is for anyone that wants to learn tricks of the trade!

This fun course will enhance the confidence, self-expression, and theatricality of all dancers and actors. You'll learn how to create characters, use your body and emotions as acting tools, and perform dances while using expression. Plus: warm-ups, theater games, improvisational acting and dancing, and information about tricks and shortcuts to dancing and acting more expressively. It's a fun class that will expand your dancing!

Expect: warm-ups & theater games, vocal and breathing exercises, improve, sense memory work (such as drinking a cup of coffee, when you don't really have one in your hand - used by actors to create a sense of reality onstage), scene work, and even more fun stuff that we can't fit on this flyer!

Cost: \$25

Acting is a course offered by Festival Dance Academy.
