

## PARKING AND CLASS LOCATION

---

All Moscow classes are held in Studio 212, on the second floor of the Physical Education Building (PEB) on the University of Idaho Campus. The Festival Dance office is located in room 120, on the first floor.

The Physical Education Building is located directly east of the Kibbie Dome, across Rayburn Street, and we share a parking lot with Memorial Gym and the UI Swim Center. Parking can be difficult on campus, as this parking lot requires a UI Gold Parking Pass until 5:00pm Monday - Friday. There are four metered spots in the parking lot, and there are several pay-to-park spots on Rayburn (you'll find payment kiosks located along the street).

Because of the parking situation, we have established a system of parking lot drop-off and return for young students whose classes are held during peak parking lot times so that parents do not have to locate parking or worry about students getting into the building. A Festival Dance instructor will come out to the parking lot (see PEB Parking Lot and Location Map) and wait by the west wall of the swim center from 10 minutes before the start of class until 5 minutes before the start of class. Any students who arrive during that time will be able to wait with the instructor and then walk as a group into the building and up to the studio to get shoes changed and begin class. Students who arrive after 5 minutes prior to the start of class will need to get into the building and up to the studio on their own, as waiting any longer will hold up the start of class. For example, if a class begins at 3:30pm, the instructor will be in the parking lot by the west wall of the swim center from 3:20-3:25pm. At 3:25pm the instructor will walk the students into the building and up to the studio. Students who arrive after 3:25pm will need to enter the building and studio on their own. At the conclusion of class, students will be walked back out to the parking lot. Please be courteous by being present to pick up your young dancer early or on time.

**Classes to be met in the parking lot and returned at the conclusion of class as described above for the 2018-2019 season are:**
